

CIRCLE OF PATRONS

Our patrons are far more than supporters of our musical work. They belong to a community of people who feel a special connection to the Empyrean Orchestra. With their commitment, they give us artistic freedom, enable extraordinary projects and contribute lastingly to the development of the orchestra.

- Invitations to selected rehearsals and personal encounters
- Invitation to the annual patrons' reception

CHOOSE THE FORM OF YOUR SUPPORT

CHOIR OF ANGELS

CHF 1,500.– to CHF 2,499.–

As a member of our Circle of Patrons, you experience the Empyrean Orchestra away from the concert stage as well. We invite you to selected dress rehearsals and to our annual patrons' reception, where you can meet our conductor and our musicians in person. We also invite you and a companion to a selected Empyrean Orchestra concert, so that you can share the joy of the music together.

CIRCLE OF STARS

CHF 2,500.– to CHF 4,999.–

As a member of the Circle of Stars, you gain, in addition to the possibilities of the Choir of Angels, insights into our artistic work, for example through an invitation to an early working rehearsal rather than only the final rehearsal, experiencing the Empyrean Orchestra from a new perspective. We also invite you and a companion to two concerts of the season, in preferred seats. On request, we also name you in our concert programme. After a rehearsal or concert, we also invite you to a short personal conversation with our conductor.

CELESTIAL SPHERE

CHF 5,000.– to CHF 9,999.–

With your extraordinary commitment, you become an important companion of our artistic development. In addition to the possibilities of the previous levels of support, we invite you to take a seat right among the musicians during a rehearsal and experience the music from the closest possible range. We also invite you and up to three guests to three concerts of the season, in the best seats. Where our projects and travels allow, we also open up the opportunity for you to accompany the orchestra on tour, with travel and accommodation arranged individually. At concerts in the Tonhalle, we also arrange a backstage tour and the chance to meet a guest soloist or composer.

EMPYREAN

Annual contribution from CHF 10,000.–

As a member of the Empyrean circle, you belong to our most significant private supporters. Your extraordinary commitment gives us the freedom to pursue musical visions, take artistic risks and shape the future of the Empyrean Orchestra for the long term. In addition to the possibilities of the previous levels of support, we invite you to a personal dinner with our conductor, as well as a conversation before the season begins about our programme planning and artistic vision. We also invite you and up to five guests to every concert of the season, in the best seats. From a contribution of CHF 20,000.– we also arrange a private chamber music concert with musicians of the Empyrean Orchestra at your home. From CHF 50,000.– you may, on request, also conduct the orchestra yourself for around 15 minutes, under the personal guidance of our conductor. Together, we shape this connection individually, tailored to your interests and the orchestra's possibilities.

Your commitment gives our musical visions room to grow.
